

UNIT 9 / Everyday situations

Make an appointment

Your goal: Request an appointment and confirm a day and time.

01 Learn the idea

Ein Termin is an appointment. Ich möchte einen Termin uses the masculine accusative form einen. When calling a practice or office, explain your request briefly and listen for the proposed slot. Am Dienstag um neun Uhr contains both a day and a clock time.

Kann ich später kommen? asks whether a later time is possible. If a proposed time works, say Ja, das passt. Repeat the complete arrangement to avoid mixing up dates or numbers. This lesson practises booking language only; it does not tell you how urgently a medical concern needs attention.

Words and phrases

German	English
Ich möchte einen Termin.	I would like an appointment.
am Dienstag um neun Uhr	on Tuesday at nine
Kann ich später kommen?	Can I come later?
Ja, das passt.	Yes, that works.
Bitte sagen Sie das noch einmal.	Please say that once again.

Say each phrase aloud. Listen on the lesson page, then repeat without looking at the English.

Read the conversation once for meaning. Repeat both roles, then cover the English and perform it again.
