

UNIT 8 / Travel with confidence

Follow the route

Your goal: Understand short directions and ask someone to repeat them.

01 Learn the idea

Directions use geradeaus for straight ahead, links for left and rechts for right. The polite instruction Gehen Sie begins with the verb, followed by Sie. First learn complete commands such as Gehen Sie geradeaus rather than trying to construct every imperative from scratch.

An der Ampel means at the traffic light. Dann marks the next step in a route. Listen to all the steps before deciding where to turn. You can repeat the route as a question: Geradeaus und dann links? This confirms your understanding and gives the speaker a chance to correct you.

Words and phrases

German	English
Gehen Sie geradeaus.	Go straight ahead.
Dann links.	Then left.
Dann rechts.	Then right.
an der Ampel	at the traffic light
Wie komme ich zum Bahnhof?	How do I get to the station?

Say each phrase aloud. Listen on the lesson page, then repeat without looking at the English.

02 Conversation and mission

Read the conversation once for meaning. Repeat both roles, then cover the English and perform it again.

Ben

Wie komme ich zum Bahnhof?

How do I get to the station?

Mia

Gehen Sie geradeaus und dann rechts an der Ampel.

Go straight ahead and then right at the traffic light.

Ben

Also rechts?

So, right?

Mia

Ja, genau.

Yes, exactly.

Your real-life mission

Draw a route with two turns. Give three short instructions aloud, then repeat the route as a traveller checking the directions.

Plan or write your response here. Try first; a model appears in the answer key.

Build the habit

Today: say five phrases aloud. Tomorrow: cover the answers and try the quiz again. In one week: repeat the conversation with your own details.
