

UNIT 6 / Food and shopping

Mission: host a simple lunch

Your goal: Plan a meal, shop for ingredients and invite a friend.

01 Learn the idea

Plan a meal using familiar verbs: brauchen for need, kaufen for buy and kochen for cook. Start with a list, then turn the list into sentences. For a plural ingredient without an article, say Wir brauchen Tomaten. For one masculine object, keep the accusative pattern: einen Salat.

An invitation needs a time as well as food. Ask Kommst du um zwölf Uhr? and listen for a clear answer. Bring earlier skills into this task: numbers for quantities, kein for food preferences and gern for likes. A short, understandable lunch plan is a useful real-world A1 achievement.

Words and phrases

German	English
Wir kochen zusammen.	We cook together.
Wir brauchen Tomaten.	We need tomatoes.
Kommst du um zwölf Uhr?	Are you coming at twelve?
Ich bringe Brot mit.	I will bring bread.
Guten Appetit!	Enjoy your meal!

Say each phrase aloud. Listen on the lesson page, then repeat without looking at the English.

02 Conversation and mission

Read the conversation once for meaning. Repeat both roles, then cover the English and perform it again.
