

UNIT 1 / Your first conversations

Introduce yourself

Your goal: Give your name, home country and a friendly response.

01 Learn the idea

Ich means I. Use Ich heiße followed by your name, or Ich bin followed by your name. To ask a friend their name, say Wie heißt du? Listen for the different endings in heiße and heißt: the verb changes with the person doing the action.

Ich komme aus describes your origin. Most country names have no article: aus Indien, aus Deutschland. Some do: aus der Schweiz. Learn those as complete phrases for now. After meeting someone, Freut mich! is a natural short response. Build an introduction one sentence at a time instead of translating a long English sentence.

Words and phrases

German	English
Ich heiße Sandeep.	My name is Sandeep.
Wie heißt du?	What is your name?
Ich komme aus Indien.	I come from India.
Ich bin Mia.	I am Mia.
Freut mich!	Nice to meet you!

Say each phrase aloud. Listen on the lesson page, then repeat without looking at the English.

02 Conversation and mission

Read the conversation once for meaning. Repeat both roles, then cover the English and perform it again.

Mia

Hallo! Ich heie Mia. Wie heit du?

Hello! My name is Mia. What is your name?

Sandeep

Ich heie Sandeep. Ich komme aus Indien.

My name is Sandeep. I come from India.

Mia

Freut mich! Ich komme aus Deutschland.

Nice to meet you! I come from Germany.

Your real-life mission

Write a three-sentence introduction using your own name and country. Ask an imaginary partner their name and answer as that person.

Plan or write your response here. Try first; a model appears in the answer key.
