

UNIT 3 / People and things

Mission: people and possessions

Your goal: Combine articles, plurals and family descriptions.

01 Learn the idea

Use this checkpoint to connect people with objects. First identify the noun's article, then choose ein/eine or mein/meine. Das ist mein Bruder introduces a person; Das sind seine Bücher describes several books belonging to him. Sein and seine mean his in these examples.

Read a short description for facts before you answer. Underline names, circle numbers and mark possessive words. Do not guess from a single familiar word: no books and two books have different meanings. Finish by writing a short description of a fictional photograph with both singular and plural sentences.

Words and phrases

German	English
Das ist mein Bruder.	That is my brother.
Das sind seine Bücher.	Those are his books.
Das ist ihre Tasche.	That is her bag.
Er hat zwei Kinder.	He has two children.
Sie hat keine Bücher.	She has no books.

Say each phrase aloud. Listen on the lesson page, then repeat without looking at the English.

02 Conversation and mission

Read the conversation once for meaning. Repeat both roles, then cover the English and perform it again.

Mia

Das ist mein Bruder Tom. Das sind seine Bücher.

That is my brother Tom. Those are his books.

Ben

Wie viele Bücher hat er?

How many books does he have?

Mia

Er hat vier Bücher und ein Handy.

He has four books and a mobile phone.

Your real-life mission

Describe a fictional photo in six sentences. Include one relative, two objects, one plural, one number and one negative statement.

Plan or write your response here. Try first; a model appears in the answer key.
