

UNIT 6 / Food and shopping

A meal out

Your goal: Read simple menu choices and state dietary preferences.

01 Learn the idea

Menu vocabulary includes die Suppe, der Salat, das Hähnchen and die Rechnung. Use mit for with and ohne for without in memorised requests: ohne Fleisch, mit Reis. Ich esse kein Fleisch states that you do not eat meat; it does not automatically explain whether your reason is preference or allergy.

For an ingredient question, ask Ist Milch drin? or Ist das vegetarisch? If you have an allergy, state it explicitly: Ich habe eine Allergie gegen Nüsse. A language exercise cannot guarantee a meal's ingredients, so ask the staff to confirm. Practise the words slowly and clearly as complete requests.

Words and phrases

German	English
die Suppe	the soup
der Salat	the salad
ohne Fleisch	without meat
Ist das vegetarisch?	Is that vegetarian?
Ist Milch drin?	Does it contain milk?

Say each phrase aloud. Listen on the lesson page, then repeat without looking at the English.

02 Conversation and mission

Read the conversation once for meaning. Repeat both roles, then cover the English and perform it again.

Mia

Ist die Suppe vegetarisch?

Is the soup vegetarian?

Server

Ja. Möchten Sie Brot dazu?

Yes. Would you like bread with it?

Mia

Ja, bitte. Und ein Wasser.

Yes, please. And a water.

Your real-life mission

Create a two-item menu, order a meal and ask one ingredient question. Practise saying one clear food preference.

Plan or write your response here. Try first; a model appears in the answer key.
