

UNIT 5 / Time and daily life

A day in your life

Your goal: Describe a routine with separable verbs.

01 Learn the idea

Some German verbs have a prefix that separates in a main clause. Aufstehen becomes Ich stehe um sieben Uhr auf. The conjugated verb takes second position and the prefix goes to the end. Learn the infinitive and the sentence pattern together so you do not forget the final piece.

Other useful examples are einkaufen and anrufen: Ich kaufe heute ein; ich rufe Mia an. Add a time phrase to make a routine specific. Use zuerst for first and dann for then when linking short sentences. Keep each sentence simple before combining several activities into a full day.

Words and phrases

German	English
Ich stehe früh auf.	I get up early.
Ich kaufe heute ein.	I go shopping today.
Ich rufe Mia an.	I call Mia.
Dann frühstücke ich.	Then I have breakfast.
Ich gehe schlafen.	I go to sleep.

Say each phrase aloud. Listen on the lesson page, then repeat without looking at the English.

02 Conversation and mission

Read the conversation once for meaning. Repeat both roles, then cover the English and perform it again.

Mia

Wann stehst du auf?

When do you get up?

Ben

Um sieben Uhr. Dann frühstücke ich.

At seven. Then I have breakfast.

Mia

Kaufst du heute ein?

Are you shopping today?

Ben

Ja, am Abend.

Yes, in the evening.

Your real-life mission

Write a four-sentence routine. Include aufstehen, frühstücken, einkaufen and schlafen gehen. Underline the separated prefixes.
