

UNIT 8 / Travel with confidence

Explore the neighbourhood

Your goal: Name useful places in town and ask where they are.

01 Learn the idea

Useful town nouns include der Bahnhof, die Apotheke, der Supermarkt, die Post and die Bank. In a location question, use Wo ist plus the place. For existence, ask Gibt es hier einen Supermarkt? Supermarkt is masculine and follows es gibt as an accusative object.

Near and far are nah and weit. In der Nähe means nearby and is useful when you do not need an exact distance. Match a place to its purpose: a pharmacy is an Apotheke, not a supermarket. Practise by drawing a neighbourhood and describing which places it contains.

Words and phrases

German	English
der Bahnhof	the station
die Apotheke	the pharmacy
der Supermarkt	the supermarket
die Post	the post office
in der Nähe	nearby

Say each phrase aloud. Listen on the lesson page, then repeat without looking at the English.

02 Conversation and mission

Read the conversation once for meaning. Repeat both roles, then cover the English and perform it again.

Ben

Gibt es hier eine Apotheke?

Is there a pharmacy here?

Mia

Ja, in der Nähe. Sie ist neben der Post.

Yes, nearby. It is next to the post office.

Ben

Danke! Ist der Bahnhof weit?

Thanks! Is the station far away?

Mia

Nein, nur fünf Minuten zu Fuß.

No, only five minutes on foot.

Your real-life mission

Draw five neighbourhood places and label them. Ask where two of them are and answer using in der Nähe or neben.

Plan or write your response here. Try first; a model appears in the answer key.
