

UNIT 9 / Everyday situations

Weather and the seasons

Your goal: Describe everyday weather and choose a suitable activity.

01 Learn the idea

Weather often uses *es*: *Es regnet*, *es schneit*, *es ist kalt*. Do not omit *es* even though it does not refer to a specific object. *Die Sonne scheint* means the sun is shining. Learn a weather sentence with each season: *Frühling*, *Sommer*, *Herbst* and *Winter*.

Use *im* with a season: *im Sommer*, *im Winter*. *Heute* describes today's weather; *morgen* describes a forecast or plan. Connect weather and an activity in two simple sentences: *Es regnet. Ich bleibe zu Hause*. You do not need a complex *because*-clause to communicate a useful plan.

Words and phrases

German	English
Es regnet.	It is raining.
Die Sonne scheint.	The sun is shining.
Es ist kalt.	It is cold.
im Sommer	in summer
Ich bleibe zu Hause.	I am staying at home.

Say each phrase aloud. Listen on the lesson page, then repeat without looking at the English.
