

UNIT 5 / Time and daily life

Mission: plan a good week

Your goal: Arrange a meeting and describe a weekly routine.

01 Learn the idea

Combine a weekday with a time: am Freitag um sechs Uhr. To invite someone, ask Hast du Zeit? or Treffen wir uns? A short reply can accept, decline or suggest another day. Nein, leider nicht is a friendly way to decline before offering an alternative.

Check the final agreed day and time rather than the first suggestion. Conversations often change plans. Repeat the arrangement in a full sentence: Wir treffen uns am Samstag um zehn Uhr. The fixed phrase wir treffen uns means we meet each other; you can use it now without learning every reflexive verb.

Words and phrases

German	English
Hast du am Freitag Zeit?	Do you have time on Friday?
Nein, leider nicht.	No, unfortunately not.
Wie wäre es am Samstag?	How about Saturday?
Wir treffen uns um zehn Uhr.	We meet at ten o'clock.
Das passt gut.	That works well.

Say each phrase aloud. Listen on the lesson page, then repeat without looking at the English.

02 Conversation and mission

Read the conversation once for meaning. Repeat both roles, then cover the English and perform it again.

Your real-life mission
